

largest international health initiative in history to fight a single disease.

Traveling in Africa earlier this year, Laura and I had our most recent opportunity to witness the effectiveness of this program. We were honored to see the doctors, nurses, and caregivers of all faiths working to save the lives of their fellow citizens. And we met the patients, including many children, who understand and appreciate America's generosity.

With passage of today's bill, we are one step closer to ensuring that this excellent program continues to help those in need. I encourage the full Congress to move quickly to send me final legislation that I can sign.

**Notice—Continuation of the National Emergency With Respect to the Former Liberian Regime of Charles Taylor**

*July 16, 2008*

On July 22, 2004, by Executive Order 13348, I declared a national emergency and ordered related measures, including the blocking of the property of certain persons connected to the former Liberian regime of Charles Taylor, pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701–1706). I took this action to deal with the unusual and extraordinary threat to the foreign policy of the United States constituted by the actions and policies of former Liberian President Charles Taylor and other persons, in particular their unlawful depletion of Liberian resources and their removal from Liberia and secreting of Liberian funds and property, which have undermined Liberia's transition to democracy and the orderly development of its political, administrative, and economic institutions and resources. I further noted that the Comprehensive Peace Agreement signed on August 18, 2003, and the related cease-fire had not yet been universally implemented throughout Liberia, and that the illicit trade in round logs and timber products was linked to the proliferation of and trafficking in illegal arms, which perpetuated the Liberian conflict and fueled and exacerbated other conflicts throughout West Africa.

The actions and policies of Charles Taylor and others have left a legacy of destruction that continues to undermine Liberia's transformation and recovery. Because the actions and policies of these persons continue to pose an unusual and extraordinary threat to the foreign policy of the United States, the national emergency declared on July 22, 2004, and the measures adopted on that date to deal with that emergency, must continue in effect beyond July 22, 2008. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing for 1 year the national emergency declared in Executive Order 13348.

This notice shall be published in the *Federal Register* and transmitted to the Congress.

**Message to the Congress on Continuation of the National Emergency With Respect to the Former Liberian Regime of Charles Taylor**

*July 16, 2008*

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the national emergency and related measures dealing with the former Liberian regime of Charles Taylor are to continue in effect beyond July 22, 2008.

Today, Liberia continues its peaceful transition to a democratic order under the administration of President Ellen Johnson-Sirleaf. The Government of Liberia has implemented reforms that have allowed for the removal of international sanctions on Liberian timber and diamonds, and Liberia is participating in the Kimberley Process Certification Scheme and the Extractive Industries Transparency Initiative to ensure that its natural resources are used to benefit the people and country of Liberia, rather than to fuel conflict. Charles Taylor is standing trial in The Hague by the Special Court for Sierra Leone. However, stability in Liberia is still fragile.

The regulations implementing Executive Order 13348 clarify that the subject of this national emergency has been and remains limited to the former Liberian regime of Charles Taylor and specified other persons and not the country, citizens, Government, or Central Bank of Liberia.

The actions and policies of former Liberian President Charles Taylor and other persons—in particular their unlawful depletion of Liberian resources, their trafficking in illegal arms, and their formation of irregular militia—continue to undermine Liberia's transition to democracy and the orderly development of its political, administrative, and economic institutions and resources. These actions and policies pose an unusual and extraordinary threat to the foreign policy of the United States, and for these reasons, I have determined that it is necessary to continue the national emergency with respect to the former Liberian regime of Charles Taylor.

**Message to the Congress  
Transmitting the Poland-United  
States Social Security Agreement**  
*July 16, 2008*

*To the Congress of the United States:*

Pursuant to section 233(e)(1) of the Social Security Act, as amended by the Social Security Amendments of 1977 (Public Law 95–216, 42 U.S.C. 433(e)(1)), I transmit here-

with the Agreement Between the United States of America and Poland on Social Security, which consists of two separate instruments: a principal agreement and an administrative arrangement. The agreement was signed in Warsaw on April 2, 2008.

The United States-Poland Agreement is similar in objective to the social security agreements already in force with Australia, Austria, Belgium, Canada, Chile, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Japan, Korea, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom. Such bilateral agreements provide for limited coordination between the United States and foreign social security systems to eliminate dual social security coverage and taxation, and to help prevent the lost benefit protection that can occur when workers divide their careers between two countries. The United States-Poland Agreement contains all provisions mandated by section 233 and other provisions that I deem appropriate to carry out the purposes of section 233, pursuant to section 233(c)(4).

I also transmit for the information of the Congress a report prepared by the Social Security Administration explaining the key points of the Agreement, along with a paragraph-by-paragraph explanation of the provisions of the principal agreement and the related administrative arrangement. Attached to this report is the report required by section 233(e)(1) of the Social Security Act, a report on the effect of the Agreement on income and expenditures of the U.S. Social Security program and the number of individuals affected by the Agreement. The Department of State and the Social Security Administration have recommended the Agreement and related documents to me.

I commend to the Congress the United States-Poland Social Security Agreement and related documents.
